Flap wheels of abrasive fleece/synthetic abrasive cloth combination for stainless steel

For rough finishing - High material removal

Suitable for grinding and satin finishing metals, hard plastics and wood - Width 100 mm

Code D 9711 0120	D 9711	Each €		1
------------------	--------	--------	--	---

In rubber, with elastic bonded abrasive - Ø x width 100x100 mm

For satin finishing on stainless steel, buffing scratches and touching up welds on alloy steel sheet
Also suitable for longitudinal polish grinding
