

## Dial indicators

Accuracy DIN 878  
Rotating dial with tolerance indices  
With vertical feeler - Shank for attachment  $\varnothing$  8 mm h6  
With individual identification number - Supplied in case

### $\frac{1}{100}$ mm (0,01 mm) graduation

With internal dial for millimeter graduation  
Every turn of the main pointer corresponds to 1 mm

#### Measuring range 30 mm

**ABC TOOLS**

Dial  $\varnothing$  58 mm with **two concentric pointers - Shockproof**  
Flat backing plate and metal case - Overall length 125 mm

Code H 4482 0000	H 4482/0	Each €		1
------------------	----------	--------	---	---

**JUWEL PLUS**

Dial  $\varnothing$  58 mm with **two concentric pointers**  
Flat backing plate and metal case - Overall length 148 mm

Code H 4482 1000	H 4482/1	Each €		1
------------------	----------	--------	---	---

Dial  $\varnothing$  58 mm with **two concentric pointers - Shockproof**  
Flat backing plate and metal case - Overall length 148 mm

Code H 4482 2000	H 4482/2	Each €		1
------------------	----------	--------	---	---

#### Measuring range 50 mm

Dial  $\varnothing$  58 mm with **two concentric pointers**  
Flat backing plate and metal case - Overall length 232 mm

Code H 4483 1000	H 4483/1	Each €		1
------------------	----------	--------	---	---

#### Measuring range 80 mm

Dial  $\varnothing$  58 mm with **two concentric pointers**  
Flat backing plate and metal case - Overall length 312 mm

Code H 4483 4000	H 4483/4	Each €		1
------------------	----------	--------	---	---

#### Measuring range 100 mm

Dial  $\varnothing$  80 mm with **two concentric pointers**  
Shank attachment  $\varnothing$  10 mm h 6  
Flat backing plate and metal case - Overall length 382 mm

Code H 4491 1000	H 4491/1	Each €		1
------------------	----------	--------	---	---

### $\frac{1}{1000}$ mm (0,001 mm) graduation

**Shockproof version** with protective cover - With double reverse numeration  
Every turn of the main pointer corresponds to 0,2 mm

#### Measuring range 1 mm

**ABC TOOLS**

Dial  $\varnothing$  58 mm with two pointers  
Flat backing plate and metal case

Code H 4492 0000	H 4492/0	Each €		1
------------------	----------	--------	---	---

**JUWEL PLUS**

Dial  $\varnothing$  40 mm with two pointers  
Flat backing plate and metal case

Code H 4492 1000	H 4492/1	Each €		1
------------------	----------	--------	---	---

Dial  $\varnothing$  58 mm with two pointers  
**Protected against dust, water and oil penetration**  
Flat backing plate and metal case

Code H 4492 3000	H 4492/3	Each €		1
------------------	----------	--------	---	---

Dial  $\varnothing$  58 mm with two pointers  
Flat backing plate and metal case

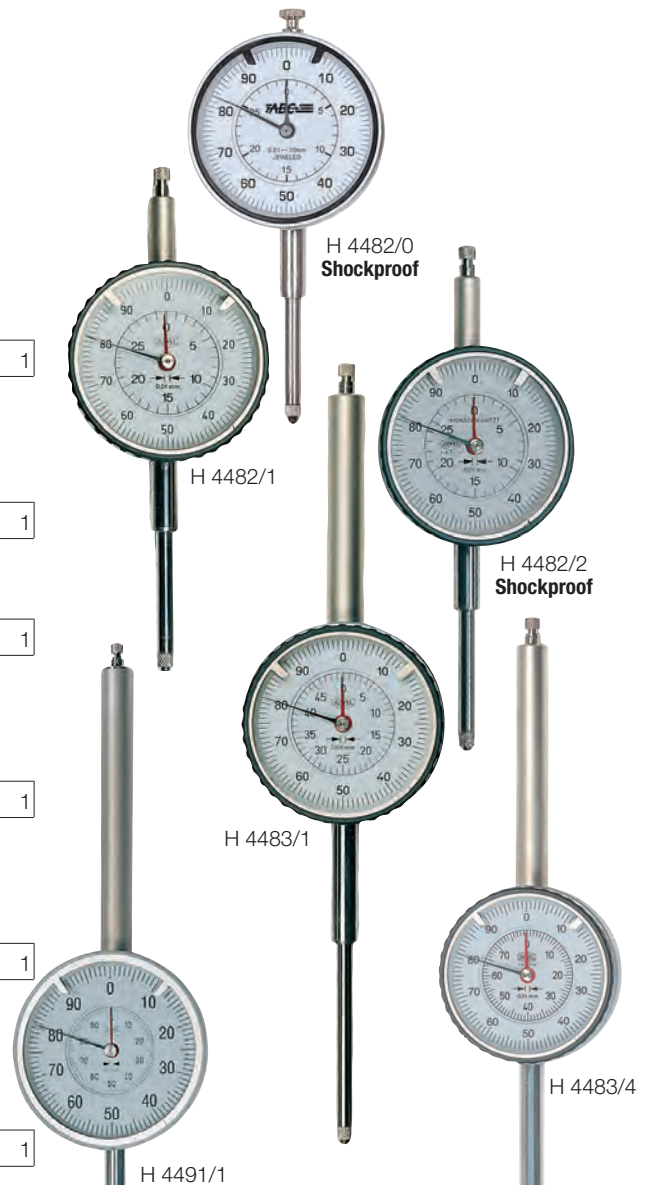

Code H 4492 4000	H 4492/4	Each €		1
------------------	----------	--------	---	---

#### Measuring range 5 mm

Dial  $\varnothing$  58 mm with two pointers  
Flat backing plate and metal case

Code H 4492 5000	H 4492/5	Each €		1
------------------	----------	--------	---	---

$\frac{1}{100}$  mm (0,01 mm)

$\frac{1}{1000}$  mm (0,001 mm)
