CONTAINER TROLLEY

In electrowelded and painted sheet metal, red RAL 3002

With 4 rubber wheels including 2 swivel wheels (1 with brake)

For mobile storage requirements

The trolley can fix containers N 9010/1 ÷ N 9010/5

Dimensions LxDxh 1060x610x1300 mm

Supplied empty and disassembled

Code N 9010 6000	N 9010/6	Empty	Each €		1
------------------	----------	-------	--------	--	---

Complete with 104 green containers

Consisting of:

1 trolley N 9010/6 - 80 containers N 9010/1 - 24 containers N 9010/2

Supplied disassembled

Code N 9010 6200	N 9010/62		Each €		1
------------------	-----------	--	--------	--	---

CONTAINER PANEL

In rugged, painted steel sheet metal, red RAL 3002

Suitable for workstations, mounting, repairing, assembly operations etc.

The panel can fix containers N 9010/1 ÷ N 9010/5

Dimensions LxDxh 1000x460 mm - Thickness 15 mm

Supplied empty and disassembled

Code N 9010 7000	N 9010/7	Empty	Each €		2
------------------	----------	-------	--------	--	---

Complete with 32 green containers

Consisting of:

1 panel N 9010/7 - 32 containers N 9010/1

Supplied disassembled

Code N 9010 7200	N 9010/72		Each €		1
------------------	-----------	--	--------	--	---
